Dear Parents and Carers

RE: Kingswood 2021

As Covid restrictions are slowly being lifted I wanted to update you on our residential to Kingswood.

The trip will still be going ahead but as all residential holidays can only resume from Monday 17th May we are going to lose one day with the coach picking up the children at 12.30pm on Monday 17th May and returning to school on Friday 21st May approximately 3.00pm-4.00pm depending on traffic.

Kingswood has reduced payment by £15.00 for each pupil making the cost of the stay £255.00; this includes insurance and coach fees.

Please complete the below slip to confirm that your child is still attending the residential and complete all outstanding payments as soon as possible. I am sorry for the late information but we have only just confirmed with Kingswood and Coach Company that the trip is able to go ahead. Payments should be made via Parentmail, if this is not possible please contact Mrs Greenwood in the office to arrange payment. If you have paid in full you will be refunded £15.00 but this may take a few weeks due to monies paid into Sefton Local Authorities Bank Account.

As always I am available if you need any further information.

Yours sincerely

Mr D MacAreavy
